This legal building plot is a true gem for those seeking a rural lifestyle surrounded by stunning views of orchards and vineyards. Despite not having electricity or water, it's no longer a problem because it's possible to install a water tank and a solar system, making it completely self-sufficient. Located on the base of a regional park and planted with almond trees, the plot offers a peaceful and idyllic environment perfect for building a dream home. With the possibility of building up to 5%, you can design and build the home of your dreams while enjoying the tranquility of the surrounding countryside. The plot is situated just 2km from the...(Ask for More Details!)
