Beautiful, large apartments on a quiet urbanisation, only a short walk from golf, shops and amenities. There are 2 and 3 bedroom properties available with underground parking space included. All properties have been built to a very high standard and include many benefits such as built-in wardrobes, pre-installation of air conditioning, a large private terrace or garden, and penthouses with private solarium and jacuzzi. In addition to all this, each property will have its own car parking space and residents will be able to enjoy full use of the resort's communal swimming pool and landscaped gardens, with more than 5.000 m² of green areas with swimming pools, Spa with...(Ask for More Details!)
