Beachside House Santiago De La Ribera. This beautifully renovated beachside house is located at Playa de Colón in the coastal municipality of Santiago de la Ribera (San Javier). Set in a spacious private plot the property is just 50 meters walking distance from the beautiful beach with a promenade. The semi-detached house with a spacious terrace has been completely renovated in a modern style and is furnished ready to move in. This property has undergone a major renovation including replacing all plumbing, electrical, carpentry, floors, sanitary facilities, etc. under the supervision of an architect. On the ground floor we have a living room with a new open plan kitchen (including...(Ask for More Details!)
