Beautiful recreational farm in Santa Ana. 10 minutes from Alicante and 10 minutes from Elche. Well connected and quiet area. Sea views. Stables for horses, stables, riding stables, orchards, gardens and lots of trees. Project of a villa of 450 m2. The farm is made up of three linked plots (in each of them an independent villa can be built). It has irrigation water from San Pascual, from the Alicante treatment plant and its own legalized well. Drip irrigation installation. It has an opening license for horse breeding. There is also the possibility of selling the plots separately: plot A (access), 17,000 m2 for €150,000; plot B (central), of...(Ask for More Details!)
