We present this incredible ground floor apartment, located just 50 meters from the Naufragos beach. There is no better location! From the living room and the kitchen, you can enjoy wonderful views that will make you feel as if you are inside the sea. The property has a private entrance and a cozy porch/terrace where you can relax under the sun while feeling the sea breeze. The home is distributed in a spacious living-dining room, a modern open kitchen, three double bedrooms, and a full bathroom; all exterior to make the most of the incredible views. Located in an area that has experienced significant recent development, you will have close... (Ask for More Details!)
