Beautiful villas with private pool in La Serena Golf Newly built single storey villa with three bedrooms, private roof terrace and pool located next to the golf course in Los Alcazares Description We are pleased to present these well-built villas with a very stylish design inside La Serena Golf Resort, in Los Alcazares. The villas are distributed on one floor and have a private roof terrace with plenty of space for sun loungers, a barbecue, a jacuzzi and of course a beautiful view of the surroundings. There is also the possibility of having a villa distributed over two floors if desired, as the developer is flexible and can deliver different models of villas....(Ask for More Details!)
