A very interesting project consisting of a total of 18 townhouses with private roof terrace and pool. The houses have approximately 107 built-up square meters spread over two levels. The ground floor offers a bright living room with an open-plan kitchen, a spacious bedroom with built-in wardrobe and a bathroom. From the living room you have direct access to a sunny terrace and your private pool, while from the kitchen and bedroom you reach another terrace that can be used as, for example, a laundry room. The first floor has two bedrooms, one with a built-in wardrobe and the other with a walk-in closet, a bathroom and a pleasant terrace...(Ask for More Details!)
