We present this spacious renovated and modernized apartment, ideal for a family looking to live permanently or enjoy a vacation near the sea. Located in the quiet and safe area of Acequion, just 100 m from the beach, this property also represents an excellent investment opportunity for rental. With approximately 105m² efficiently distributed, the apartment features a large living-dining room with a new open kitchen, three comfortable bedrooms (the master includes an en-suite bathroom) and two full bathrooms. Additionally, it is sold fully equipped with air conditioning already installed; ready to move in without the need for any further renovations. The property is surrounded by various...(Ask for More Details!)
