This finca consists of a plot of 10,000m² with two bungalows, two pools and a large jacuzzi. It is located 20 minutes drive from the airport of Malaga. Both the main house and the guest house have their own swimming pool. Both houses are equipped with air conditioning and central heating in all rooms, which makes them a comfortable place to stay in both summer and winter. The pool of the main house can be heated by solar energy. About 60% of the plot is a fruit orchard with oranges, tangerines, figs, grapes, peaches and many other kinds of fruit. The finca is rurally situated near the village of Alhaurin de la Torre and...(Ask for More Details!)
