Get to know a new concept of residential housing near the sea. White sunny houses, and with natural light inside, clearly influenced by the mediterranean lifestyle. But at the same time, taking care every detail of those things that almost anybody can perceive in a first sight, like the materials and the high quality finishings used in the construction, which are the consequence of 30-year-experience building homes. You have semi-detached villas with a private pool and views of the salty lagoon, top floor townhouses with a solarium, and ground floor townhouses with a garden and basement. Whatever your choice, you will have the privilege of living in an exclusive residential...(Ask for More Details!)
