The villa designs, layouts and the positioning of the homes and gardens focus on positive energy and maintaining your privacy. The L-shaped building design represents a practical distribution of square meters, and provides maximum privacy from neighbours. The entire development, including the materials used, is designed according to the timeless principles of Feng Shui, optimizing the location and its small community for positive energy. We have applied this method to the spaces, inside and out, of the individual home. The development offers more than a home: Is a gateway to an effortlessly-healthy lifestyle: everything you need to enjoy the outdoors, relax, or socialize with friends and family is on-hand and...(Ask for More Details!)
