100m²

N/A

Description of the Semi-detached House In Benissa, in the Marina Alta region and halfway between Calpe and Moraira, lies this semi-detached house with a floor area of 100 m², right on the Alicante coast. It is spread over two floors, faces south-east and is on the outer side of the building, meaning it receives natural light for much of the day. Layout The property makes good use of its 100 m² across two storeys. It comprises three bedrooms, a bathroom, a living room and a dining room “spaces designed for a family’s everyday life or for those seeking a comfortable second home. The south-east facing position...(Ask for More Details!)
