N/A

A unique property for sale in Binissalem one of the emblematic windmills of Mallorca. Restored as a family home and used for many years as a summer house on a rural plot of 5000m² just to the north of the village of Binissalem. The windmill and its original courtyard and storage building are 239m² all of which is registered as living spaces. The owners have created a property with two double bedrooms one bathroom house on the ground floor below the tower of the windmill, with a kitchen and pantry which is connected to two large lounge and dining rooms on the northern and southern sides of the base of...(Ask for More Details!)
