Town House in Rojales

€195,000

2	1	81m²	75m²	N/A

In the southern part of the town of Quesada, we find this beautiful terraced house. We enter via the sunny, south-facing garden of approximately 15 m², from where a small staircase with 3 steps leads to the covered terrace. This is also enclosed with glass panels, making it a lovely place to spend time in the winter. On the ground floor, we find the open living-dining room, a renovated toilet, and a kitchen with new appliances. At the rear, we have access to a private garden of approximately 10 m². The house was recently (2025) painted entirely on the inside and outside and is therefore essentially ready to move into!...(Ask for More Details!)
