Fantastic development of new apartments with large terraces and sea views. We have 2 and 3 bedroom apartments of different types (Penthouse, Duplex, Ground Floor) All the apartments, although with different orientations, have views of the sea. Just 300 meters from the beach of Torrox Costa. All the best in qualities, kitchens and finishes (we have a quality memory ask for it). Large communal swimming pool with sea views. Common areas with gardens and outdoor gym. Investment opportunity, very profitable apartments for holiday rental. Prices include 2 parking spaces and a storage room. The ground floor apartments have a garden. High quality double glazing.
