Magnificent country house for sale in Sineu Mallorca. This extraordinary Mallorcan property is for sale, located in the heart of the island just to the north of Sineu. With a licence for agrotourism, the property has endless feasible projects as it is located in an agricultural-livestock and forestry area and has more than 15 hectares of land. The house is distributed in an entrance hall, living-dining room, typical old Mallorcan kitchen with fireplace, two double bedrooms and a bathroom. It has the opportunity to be renovated while preserving original details as characteristic as the wooden beams. It also has a shed or storage room and a porch facing the garden...(Ask for More Details!)
