Renovation Project in Costa de la Calma 502. 53m<sup>2</sup> over basement and two floors An exciting and new renovation project Calvia, Mallorca; specifically in the area of Costa de Calma. The renovation will not begin until there is a buyer. For this reason, buyers still have the opportunity to influence the materials. The villa has 3 large en-suite bedrooms with walk-in wardrobes on the 1st floor. On the ground floor there is a large sociable kitchen diner and the living room and access to the terrace and pool area as well as a guest toilet. In the basement is loads of storage space, laundry room a small bodega...(Ask for More Details!)
